15 Famous Indian Scientists and their Inventions

S. No.	Scientists		Their Inventions
1		Prafulla Chandra Ray	Famous academician and chemist, known for being the founder of Bengal Chemicals & Pharmaceuticals, India's first pharmaceutical company
2		Salim Ali	Naturalist who helped develop Ornithology; also known as the "birdman of India"
3		Srinivasa Ramanujan	Mathematician known for his brilliant contributions to contributions to mathematical analysis, number theory, infinite series and continued fractions
4		C. V. Raman	Physicist who won Nobel Prize in 1930 for his Raman Effect
5		Homi Jehangir Bhabha	Theoretical physicist; best known as the chief architect of the Indian atomic energy program

S. No.	Scientists		Their Inventions
6		Jagadish Chandra Bose	Physicist, biologist and archaeologist who pioneered the investigation of radio and microwave optics
7		Satyendra Nath Bose	Mathematician and physicist; best known for his collaboration with Albert Einstein in formulating a theory related to the gas like qualities of electromagnetic radiation
8		A.P.J. Abdul Kalam	Known for his crucial role in the development of India's missile and nuclear weapons programs
9		Har Gobind Khorana	Biochemist who won the Nobel Prize in 1968 for demonstrating how the nucleotides in nucleic acids control the synthesis of proteins
10		S.S. Abhyankar	Mathematician; famous for his outstanding contributions to algebraic geometry
11		Meghnad Saha	Astrophysicist who developed the Saha equation, which explains chemical and physical conditions in stars

S. No.	Scientists		Their Inventions
12		Subrahmanyan Chandrasekhar	Astrophysicist won the Nobel Prize in 1983 for his research on the evolutionary stages of massive stars
13		Raj Reddy	A.M. Turing Award-winning computer scientist, best known for his work related to large scale artificial intelligence systems
14		Birbal Sahni	Paleobotanist known for his research on the fossils of the Indian subcontinent
15		Prasanta Chandra Mahalanobis	Statistician and Physicist who founded the Indian Statistical Institute
Total		15	Muslims = 2
